- (b) All amounts due to the MNRF on account of gross revenue pursuant to s.9(i) and (ii) of the Head Lease. The Tenant acknowledges and agrees that it shall fully comply with and provide reports, lists, receipts and expenditures and auditor's certificates as required pursuant to s.8 of the Head Lease.
- (c) The annual rental rate may be negotiated preceding lease renewal.

3. TERM AND POSSESSION

- (1) The Tenant shall have possession of the Premises for a period of **5 years** commencing on the **1st day of January 2021** and ending on the **31st day of December, 2025** (the "Term").
- (2) the Tenant shall have the right to renew the Term on three (3) separate occasions, each for an additional five (5) years, upon written notice to the Landlord no later than ninety (90) days prior to the expiration of the Term or any renewal, Sublease, subject to the following:
 - (a) the Rent for the renewal term(s) shall be the same rate of rent as set forth in section 2(3)(a) herein for the first renewal term only (equal to two terms of 5 years). Subsequent renewals shall have been agreed upon not later than 30 days prior to commencement of the renewal term, failing which the Sublease shall be deemed to be terminated upon expiry of the current term of this Sublease;
 - (b) the Tenant must have satisfactorily operated the Marina and maintained the tangible Equipment in good working order, making all required repairs, maintenance and replacement, reasonable wear and tear excepted;
 - (c) Complaints made to the County regarding the operation of the marina Property will have been dealt with by The Tenant to the satisfaction of the Landlord, acting reasonably;
 - (d) The Sublease and the Head Lease shall be in good standing and the Tenant will not be breach thereof,
- (3) Provided that any Term and renewal term shall be conditional upon the Head Lease remaining in full force, and in good standing.
- (4) Subject to the Landlord's rights under this Sublease, and as long as the Sublease and Head Lease is in good standing the Landlord covenants that The Tenant shall have quiet enjoyment of the Premises during the Term of this Sublease without any interruption or disturbance from the Landlord or any other person or persons lawfully claiming through the Landlord.

4. PREMISES

The Tenant hereby acknowledges that it has examined the Premises before taking possession hereunder and the Tenant takes the Leased Premises "as is". The Tenant agrees that there is no promise, representation or undertaking by or binding upon the Landlord with respect to any construction, fixturing, finishing, alteration of or installation of equipment or fixtures in the Premises, except such, if any, as are expressly set forth in this Sublease.

5. UTILITIES

The Tenant shall be responsible for and shall promptly pay all charges for electricity used or consumed in respect to the Premises. In no event shall the Landlord be liable for, nor have any obligation with respect to, any interruption or cessation of, or any failure in the supply of any utilities, services or systems whether or not supplied by the Landlord or others.

6. WATER

The Tenant shall be responsible for and shall promptly pay all charges for municipal water used or consumed in respect to the Premises as well as wastewater transferred from the Picton Marina holding tank to municipal wastewater infrastructure.

7. ADDITIONS, ALTERATIONS OR IMPROVEMENTS

The Tenant shall not make any additions, alterations, replacements, decorations or improvements, shoreline alterations, any docks, decks, pilings, retaining walls or any additional structures (all or any one of the foregoing being hereinafter called "Improvements") whatsoever to any part of the Premises without the Landlord's written approval, which approval may not be unreasonably and arbitrarily withheld. If the Tenant desires to make any such Improvements, the Tenant shall, at its sole cost and expense, at the time of its application for the Landlord's consent, submit to the Landlord:

- a. details of the proposed work including, where reasonably required, drawings and specifications prepared by qualified designers and conforming to good engineering practice;
- b. an agreement to indemnify the Landlord against liens, costs, damages and expenses in such form as the Landlord shall reasonably require; and
- c. evidence satisfactory to the Landlord that the Tenant has obtained all necessary consents, permits, licenses and inspections from all governmental authorities having jurisdiction.
- d. All Improvements by the Tenant shall be at the sole cost of the Tenant and, unless the work is performed by volunteers, shall be performed by competent workmen fully covered by Workplace Compensation, shall be performed in a good and workmanlike manner in accordance with the drawings and specifications which the Landlord has approved, and shall be subject to the reasonable supervision and direction of the Landlord. The Tenant's contractors shall carry property damage and liability insurance satisfactory to the Landlord for their operations. Any such Improvements made by the Tenant without the prior written consent of the Landlord or which are not in accordance with the drawings and specifications approved by the Landlord shall, if requested by the Landlord, be promptly removed by the Tenant at its expense and the Leased Premises restored to their previous condition.

8. FIXTURES AND ATTACHMENTS

The Tenant covenants and agrees that it will not, except as hereinafter provided, erect or affix on the Premises or on the docks, boardwalk or Equipment any antennae, sign, fixture or attachment of any kind without the prior written consent of the Landlord, which consent may not be arbitrarily or unreasonably withheld.

9. APPLICABLE LEGISLATION AND AUTHORIZATIONS

The Tenant acknowledges and agrees that the Landlord's execution of this Lease does not constitute a permit or authorization for any use, building, structure, or appurtenance pursuant to the Conservation Authority Act, the Public Lands Act, the Navigable Water Protection Act, Fisheries Act nor any other applicable legislation or regulations. This includes any infrastructure temporary or permanent within the Picton Harbour water lots included in this lease. The Tenant has the sole responsibility for obtaining the required permits or authorizations and for compliance with same.

10. PROVISIONS OF LAW AND LEGISLATION

The Tenant will comply with all provisions of law including, but not limited to, federal and provincial legislative enactments, zoning and building by-laws and environmental laws, regulations and guidelines and any other governmental or municipal regulations in respect of its operation or use of the Premises and the construction or erection of any structure, appurtenance or equipment thereon. The Tenant will comply with all building, zoning, police, fire and sanitary regulations or By-Laws imposed by federal, provincial or municipal authority or made by fire insurance underwriters, and with all governmental and municipal regulations and other requirements governing the use of the Premises and the Equipment.

(1) Specifically, the Tenant shall adhere to the Comprehensive Zoning Bylaw 1816-2006 as it pertains to Boat House, Pump House and Docking Facilities.

11. ENVIRONMENTAL

(1) Definitions

In this Sublease:

- a. "Environmental Laws" means any law, by-law, order, ordinance, ruling, regulation, certificate, approval, consent or directive of any applicable federal, provincial or municipal government, governmental department, agency or regulatory authority or any court of competent jurisdiction:
 - (i) relating to pollution or the protection of human health or the environment;
 - (ii) dealing with filings, registrations, emissions, discharges, spills, releases or threatened releases of Hazardous Substances or materials containing Hazardous Substances; and/or
 - (iii) regulating the import, storage, distribution, labelling, sale, use, handling, transport or disposal of a Hazardous Substance; and
- b. "Hazardous Substance" means any substance capable of posing a risk or damage to health, safety, property or the environment including, without limitation, any contaminant, pollutant, dangerous or potentially dangerous substance, noxious substance, toxic substance, hazardous waste, flammable or explosive material, radioactive material, urea-formaldehyde foam insulation, asbestos, polychlorinated biphenyls, polychlorinated biphenyl waste, polychlorinated biphenyl related waste, and any other substance or material now or hereafter declared, defined or deemed to be regulated or controlled under any Environmental Law.

(2) Compliance with Environmental Law

Without limiting any other obligation of the Tenant in this Sublease, the Tenant covenants and agrees that it shall, at its sole cost and expense, observe and other wise comply with, and cause its sublessees, invitees and all other occupants of the Premises to observe and comply with all Environmental Laws. Without limiting the generality of the foregoing, the Tenant covenants and agrees that:

- a. it shall not cause or permit any Hazardous Substance to be brought into, stored, kept or used in or about the Premises or Building or any part thereof, other than any Hazardous Substance that is used in the ordinary course of the permitted use being carried on at the Premises and which is stored, kept and used in strict compliance with all Environmental Laws pertaining thereto;
- b. it shall not permit any emissions, discharges or releases of Hazardous Substances or materials containing Hazardous Substances either from or on to the Premises or the Harbour Lands or the waters of Picton Bay or the bed thereof.
- c. it shall not construct or install any underground or aboveground storage tank in the Premises or docks, unless with the prior written consent of the County and which shall exclude the underground tanks currently located in the Premises; and
- d. on the expiration or earlier termination of this Sublease, it shall cause each and every Hazardous Substance which is then located on the Premises or docks to be removed from the Premises in compliance with all Environmental Laws pertaining thereto, which excludes the underground tanks currently located in the Premises.

(3) Notice of Orders

The Tenant shall immediately provide the Landlord with written notice of any order, direction, notice of default or notice of legal action received by the Tenant pursuant to any Environmental Laws and relating to the Premises, the use and occupation of the Premises or any business or activity carried on at the Premises.

(4) Right of Inspection

The Landlord and agents, servants, employees, consultants and representatives shall have the right (but not the obligation), from time to time, to inspect (including the right to conduct an

environmental audit or assessment) the Premises for the purpose of determining whether the Tenant is in compliance with its obligations in this Article. The Tenant shall pay, as Additional Rent, any reasonable costs incurred by the Landlord in making such inspections of the Premises if, by virtue of said inspection, the Tenant is determined to be in default under this Lease. Such costs shall be paid forthwith on demand. The Landlord shall also have the right to examine all of the Tenant's relevant files, books, records, statement, plans and other written information in the Tenant's possession relating to the compliance with Environmental Laws at the Premises. The Tenant authorizes the Landlord to make inquiries from time to time with any governmental authority having jurisdiction in respect of matters relating to the Tenant's compliance with Environmental Laws at the Premises, and the Tenant agrees to provide any further authorizations as may be required to facilitate the obtaining of such information.

(5) Rectification of Breach

In the event that it is determined that the Tenant is in breach of its obligations in this Article, the Landlord may, without limiting any other rights or remedies, provide the Tenant with notice in writing of the breach, and the Tenant shall commence to rectify such breach at the Tenant's sole cost and expense, and shall complete such rectification as soon as reasonable possible. In the event that the Tenant does not commence to rectify such breach, the Landlord may, at its option and in its sole discretion, terminate this Lease without any further notice, or may rectify such breach at the cost of the Tenant, and the Tenant shall forthwith, on demand, reimburse the Landlord for the cost of rectification together with an administration fee of ten (10%) percent of the cost of rectification. Such amount shall be payable and collectible as Additional Rent.

(6) Remediation

If any governmental authority shall require the clean-up of any Hazardous Substance held, released, spilled, abandoned or placed on the Premises or the docks or released into the environment by the Tenant, its sublessees or anyone permitted on the Premises by the Tenant, or as a result of the use or occupancy of the Premises by the Tenant or its sublessees, invitees or other occupants, the Tenant shall, at its own expense:

- a. prepare all necessary studies, plans and proposals required as a result thereof;
- b. obtain all necessary approvals of such authorities required to complete the remediation and other work required;
- c. provide all bonds and other security by such authorities; and
- d. carry out and complete the remediation and other work required. The Tenant shall also provide the Landlord with copies of the plans and proposals and keep the Landlord advised from time to time as to the status of its remediation and other work.

(7) Hazardous Substances Remain Property of Tenant

Subject to subsection (11) hereof, if the Tenant or its sublessees or anyone else permitted on the Premises or docks by the Tenant creates or brings to the Premises any Hazardous Substance, or if the conduct of business at or occupation of the Premises shall cause there to be any Hazardous Substance at the Premises, unless then, notwithstanding any provision in this Lease or rule of law to the contrary, such Hazardous Substance shall be and remain the sole and exclusive property of the Tenant, and shall not become the property of the Landlord notwithstanding the degree of affixation to the Premises of the Hazardous Substance or the goods containing Hazardous Substance, and notwithstanding the expiration or earlier termination of this Lease.

(8) Tenant Indemnity

Subject to subsection (11) hereof, the Tenant agrees to indemnify and save harmless MNRF the Landlord, its agents, servants, contractors, consultants, employees and others for whom the Landlord is in law responsible, against any and all liabilities, claims, damages, interest, penalties, fines,

monetary sanctions, losses, costs and expenses whatsoever (including, without limitation, reasonable costs of professional advisors, consultants and experts in respect of any investigation, and all costs, all remediation and other clean-up costs and expenses) arising in any manner whatsoever out of: any breach by the Tenant of any provisions of this Article, or any noncompliance by the Tenant, its sublessees, invitees and other occupants with any Environmental Laws;

- a. any generating, manufacture, refinement, treatment, transportation, storage, handling, disposal, transfer, production or processing of any Hazardous Substance by the Tenant, its sublessees, invitees and other occupants; and
- b. any illness, injury or death of persons, or any loss or damage to property, on or about the Premises or Building.

(9) Survival of Obligations

The covenants and agreements of, and indemnification by, the Tenant contained in the foregoing Articles 10(1) to 10(b) inclusive, shall survive the expiration or earlier termination of this Sublease notwithstanding anything herein contained to the contrary but shall not apply in respect to environmental issues or Hazardous Substances which existed prior to the Tenant's first use of the Premises as set forth in subsection (11) herein.

(10) Surrender of Premises

On the termination of this Sublease for any reason the Tenant will surrender the Premises to the Landlord in the condition in which they are required by this Sublease to be kept by the Tenant.

(11) Landlord's Representation and Warranty

The Landlord represents and warrants to the Tenant that, except as disclosed in writing to the Tenant, the Landlord is aware of no Hazardous Substances on the Premises. The Landlord represents and warrants to the Tenant that, except as disclosed to the Tenant in writing, the Landlord is not aware of any pending environmental investigations or proceedings by any governmental agencies of any kind relating to the Premises and that the Landlord has fully complied with all Environmental Laws in relation to the Premises. The Landlord shall fully indemnify and hold the Tenant harmless from any Hazardous Substances found on the Premises which relate to the time prior to the Tenant's possession and occupancy of the Premises or which were placed on the Premises at any time by the Landlord or its agents. Further provided that any Hazardous Substances located on the Premises prior to the Tenant's possession and occupancy of the Premises shall remain the property of the Landlord.

12. USE

- (1) During the Term of this Sublease the Premises shall not be used for any purpose other than the operation of the Marina and for the uses as a commercial tourism location, without the express written consent of the Landlord.
- (2) The Tenant shall not do or permit to be done at the Premises anything which may:
 - a. constitute a nuisance;
 - b. cause damage to the lands and premises;
 - c. cause injury or annoyance to the occupants of neighbouring premises;
 - d. make void or voidable any insurance upon the Premises;
 - e. constitute a breach of any by-law, statute, order or regulation of any municipal or other competent authority relating to the Premises.

13. REPAIR AND MAINTENANCE AND REPLACEMENT

- (1) The Tenant covenants that during the Term of this Sublease and any renewal thereof the Tenant shall notify the Landlord of any concerns of damages to the Equipment.
- (2) The Landlord shall be permitted to access the Premises for inspection or repair with notification to the Tenant forthwith
- (3) If the Premises the Equipment or any part thereof, becomes out of repair or is damaged or destroyed, save and except for reasonable wear and tear, through the negligence, carelessness, misuse or abuse of or by the Tenant, its servants, agents, employees, invitees or anyone under its control or permitted by the Tenant to be in any building or on the Premises, the expense of the necessary repairs, replacements or alterations shall be borne by the Tenant.

At all times during the Term the Tenant shall keep and maintain the whole of the Premises and the Equipment, capital assets, ancillary structures and every part thereof in good order and shall promptly make all needed repairs and replacements, save and except for reasonable wear and tear. The Tenant shall keep the Premises and Equipment well cleaned and in a tidy condition, save and except for reasonable wear and tear, all as a careful owner would do and shall keep the Premises free of garbage and debris. The Landlord will continue to remove waste from public walkways (including boardwalks), all other waste is the responsibility of the Tenant.

- (4) No later than thirty (30) days prior to the renewal of the Term, both parties shall complete an inspection of the Equipment and all capital assets. Should the Equipment and/or capital assets not be in good working order, save and except for reasonable wear and tear, the Landlord shall notify the Tenant, in writing with clear directions, within five (5) days of inspection, of the repairs to the Equipment and/or capital assets that are required. If the Tenant fails to repair the Equipment and/or capital assets to a good working order, save and except for reasonable wear and tear, prior to the expiration of the Term, the Landlord shall have the right not to renew the Sublease and hold the Tenant responsible for the cost of any required repairs or replacements.
- (5) The Landlord, as owner of the capital assets located on the Premises, shall be responsible for maintenance and repair of capital assets required as a result of age and reasonable wear and tear, such as roof repair / replacement. Any such work will be carried out within a reasonable timeframe and any such work will be scheduled in advance with the tenants.
- (6) Any upgrade or modification made by the Tenant to a capital asset located on the Premises must be approved by the Landlord in writing before any work commences.
- (7) The Tenant may choose to upgrade the power source located on and servicing the Premises, provided the Tenant shall do so at their own cost and liability.
- (8) The Tenant covenants and agrees to permit the Landlord at all reasonable times to enter upon and view the state of cleanliness of the Premises and equipment and the Tenant shall comply with all reasonable requirements of the Landlord with respect to same.
- (9) Further to the obligations of the Tenant contained in Section 12(3) hereof, the Tenant shall, where the repair is the responsibility of the Tenant pursuant to Section 12(3) commence to repair upon five (5) days' notice in writing from the Landlord, but failure to give notice shall not relieve the Tenant from its obligation to repair.
- (10) The Landlord shall ensure wastewater in the holding tank is measured by volume in order to fairly account and bill the Tenant for wastewater processed through the Picton Marina site. The Landlord shall prepare and install a device to ~~and~~ enable automatic pumping from the holding tank to the municipal wastewater collection system ~~access~~ at Bridge and Head Street.

The Landlord will have completed the installation of the wastewater monitoring device and automatic pump on or before May 1, 2021.

Provided, further, that if the Tenant, upon written notice being given pursuant to this Section, refuses or neglects to repair properly to the reasonable satisfaction of the Landlord as required by Section 12(3) hereof, the Landlord may, but shall not be obliged to, make such repairs without liability to the Tenant for any loss or damage that may accrue to the Tenant's merchandise, fixtures or other property or to the Tenant's business by reason thereof, and upon completion thereof, the Tenant shall pay to the Landlord the Landlord's costs for making any such repairs plus a sum equal to ten (10%) per cent thereof for overhead as Additional Rent.

14. Public Access and Green Space

- a. The Tenant shall adhere to the spirit of their original Expression of Interest in terms of public access which was to establish a revitalized marina operation, which will service both the travelling public and local residents with access to improved marina facilities, services and boat launch
- b. Tenacity Marina Corporation will operate on the property in consultation with Quinte Conservation Authority to ensure public access to the shoreline is optimized and enhanced with pedestrian amenities that reflect the vibrancy of the waterfront while respecting the natural habitat through lighting, seating, signage, and environmental preservation measure as guided and governed by Quint Conservation Authority.

15. Insurance

- (1) The Tenant covenants to keep the MNRF pursuant to s.10 of the Head Lease and to keep the Landlord indemnified against all claims and demands whatsoever by whether in respect of damage to person or property, caused or occasioned by the Tenant, or its officers, agents, servants, employees, contractors, customers, invitees or licensees, or as a result of the use or occupancy of the Premises by the Tenant or its sublessees, invitees or other occupants. The Tenant further covenants to indemnify the Landlord with respect to any encumbrance on or damage to the Premises occasioned by or arising from the act, default, or negligence of The Tenant its officers, agents, servants, employees, contractors, customers, invitees or licensees:
- (2) The Tenant shall provide confirmation of coverage for minimum of \$5 Million (\$5,000,000) Commercial General Liability for its operations, the housing of fuel tanks on site as well as the Tenant's Legal Liability.
- (3) The Tenant shall provide confirmation of site-specific Environmental Impairment Liability Insurance, providing coverage for both sudden and accidental and gradual seepage from any operations of the fuel tanks as part of the Equipment and the Marina.
- (4) The Tenant shall name the Landlord and the MNRF as additional insured on each policy and provide confirmation of all coverage with a certificate of insurance.
- (5) The Tenant shall confirm that it has sufficient Premises coverage for The Tenant's contents, equipment and any improvements being made at the location.
- (6) The parties agree that the foregoing indemnities shall survive the expiration or termination of this Sublease, for a period of two (2) years, notwithstanding any provisions of this Sublease to the contrary

16. Lien

- (1) The Tenant shall promptly pay all its contractors and materialmen and shall do any and all things necessary so as to minimize the possibility of a lien attaching to the Premises and, should any such lien be made or filed, the Tenant shall discharge it immediately, provided however that the Tenant may contest the validity of any such lien and in so doing shall obtain an order of a court of competent jurisdiction discharging the lien or encumbrance from the title to the Premises by payment into court or by furnishing to the Landlord as security satisfactory to the

Landlord in nature and amount against all loss or damage which the Landlord might suffer or incur thereby.

- (2) If the Tenant shall fail to discharge any lien, then in addition to any other right or remedy of the Landlord, the Landlord may, but it shall not be so obligated, discharge the lien by paying the amount claimed to be due into court and the amount paid by the Landlord together with all costs and expenses including solicitor's fee (on a solicitor and his own client basis) incurred for the discharge of the lien shall be due and payable by the Tenant to the Landlord as Additional Rent on demand.

17. Written Consent for Sublease

Except for day use by visitors or members of the public, the Tenant shall not assign this Lease in whole or in part, nor sublet all or any part of the Premises, nor mortgage or encumber this Sublease or the Premises or any part thereof, nor suffer or permit the occupation of, or part with or share possession of, all or any part of the Premises by any person (all of the foregoing being hereinafter collectively referred to as a "Transfer"), without the prior written consent of the Landlord in each instance, which consent may not be unreasonably withheld, notwithstanding any statutory provision to the contrary including, without limitation, the provisions of Section 23 of the Commercial Tenancies Act, R.S.O. 1990 c.L.7 as amended, or any statute subsequently passed to take the place of or to amend the said Act. The consent by the Landlord to any Transfer, if granted, shall not constitute a waiver of the necessity for such consent to any subsequent Transfer. This prohibition against a Transfer is construed so as to include a prohibition against any Transfer by operation of law and no Transfer shall take place by reason of a failure by the Landlord to reply to a request by the Tenant for consent to Transfer.

18. Complying with provisions of law

The Tenant shall, at its expense, comply with all provisions of law including, without limitation, federal and provincial legislative enactments, building bylaws and any other governmental or municipal regulations which relate to the use of the Premises including the Equipment (inside and outside) and to the making of any repairs, replacements, alterations, additions, changes, substitutions or improvements of or to the Premises and to comply with all police, fire and sanitary regulations imposed by any federal, provincial or municipal authorities and to observe and obey all governmental and municipal regulations and other requirements governing the conduct of any business or occupation of the Premises including the Equipment.

18. TERMINATION UPON NOTICE AT END OF TERM

- (1) If the Premises are expropriated or condemned by any competent authority the Landlord shall have the right to terminate this Sublease by giving fifteen (15) clear days' notice in writing to the Tenant.

18. RULES AND REGULATIONS

The Tenant agrees on behalf of itself and all persons entering the Premises with the Tenant's authority or permission, to abide by such reasonable rules and regulations that form part of this Sublease and/or as the Landlord may reasonably make from time to time.

19. NOTICE

- (1) Any notice required or permitted to be given by one party to the other pursuant to the terms of this Sublease may be given

To the Landlord at:	332 Main Street, Picton, Ontario K0K 2T0
---------------------	---

To the Tenant at the Premises or at: c/o CJ Thompson
