Dear Mr. Greer,

Ministry of Natural Resources and Forestry (MNRF), Peterborough District staff have reviewed your letter dated February 28, 2018, regarding, “Our response to December 18, 2017 comments letter from Catherine Warren, District Planner, Ministry of Natural Resources and Forestry (MNRF), Peterborough District”.

This document was submitted in support of the above-noted application and in response to our objection letter dated December 18, 2017 which raised concerns about significant wildlife habitat and species at risk. The document submitted improved our understanding of the situation on the site and the surveys undertaken.

Accordingly, MNRF no longer has an objection to the subject application.

This concludes Peterborough District’s review of the above-noted file. If you have any questions, please contact me.

Best Regards,

*Catherine Warren*
