

**INVITATION 8 TO CANDIDATES FOR MAYOR AND WARD COUNCILOR
IN PRINCE EDWARD COUNTY
OCTOBER 5, 2022**

Public engagement

Low voter turnout in municipal elections partly reflects voters' sense of disconnection from their local government.

Council has been trying recently to engage better with the public. Online resources, like the [Have Your Say](#) platform, have helped residents to stay informed and to share their thoughts about new and on-going municipal projects. Some Members have regularly reached out to constituents over social media or have occasionally attended town hall meetings.

1. Please share how you would enhance Council's approach to public engagement.

Why support me

Please feel free to answer our last question with unabashed self-promotion:

2. Please share why you're running and why voters should support you in the municipal election (max. 500 words).

Please email your responses by 8 pm on Monday, October 17, 2022.

Early responses received by 8 pm on October 12, 2022 will be posted online and on Facebook by October 13, 2022 – before advance voting begins on October 15, 2022.

Thanks for sharing your thoughts with voters in the County.
